UPCOMING CONCRETE POURS FOR EVGR

Concrete placement for building foundations are scheduled to start on Wednesday, November 14, 2017 and continue through July 2018.

Concrete pours, on average, will take place twice a week within the EVGR construction fence lines.

Depending upon weather and traffic conditions, there may be limited and occasional needs to work beyond the current work hours of 8:00am – 5:00pm.

EV and Kennedy Front Desks will issue an email by 3:00pm to announce when concrete pours will extend past 5:00pm.

SAFETY FIRST!
Use caution when traveling in the area and follow directional signage. For your safety, please refrain from entering the construction site.
